Last year, being my first year on the Yearbook Staff, I didn't know much about what all goes into making a yearbook. It takes lots of time, self-motivation, and endless crusades for the perfect picture to put into each section. I hope that the yearbook keeps on progressing each year, as I have seen it grow in my four years. I would like to thank all the people along the way that helped me meet my deadlines!

Pages include: Clubs & Organizations, Performing Arts, Yearbook, Photography, & Advertising.

This is my second year on the yearbook staff. It has taken time and dedication to be able to get all the pages complete. Even though it is time consuming, it has also been very rewarding. Pages include: Student Life, Welcome Back, Entertainment, & Sophomore/Freshman Class .

Hannah DeWitt

I have been on yearbook staff since my Freshman year. We are slowly making the book bigger & better. Thanks to a small group of dedicated members, we established the yearbook for many years to come. Please be patient with us, for these have been our rebuilding years.

Pages include: Opener, Student Life/fun pages, Mr. Turkey, Spring Fling, Seniors/Juniors.

*Dear Melanie,
You are our miracle friend. We love you and are
very, very proud of you. Now get home from those
mountains and spend more time with us!
Love you always and forever,
Bojangles and Chelsea
(and Mom, too)*

Congratulations Karri

Karri, we can still see you--only yesterday it seems--your first day of school, looking forward with expectation. Then came the dreaded high school days, when the years seemed to drag on. Now you have completed college. Today you are looking forward with expectation to teaching school. These years may have seemed long to you--but to your parents it's been one proud moment after another. Each achievement and honor you received so humbly, your family freely boasted. We love you Karri, and we couldn't be more proud than we are today.

THANK YOU!!
We Love You,
Mom & Dad

Congratulations Stacy

Stacy,

We have watched you grow from an awkward lanky girl to a graceful, beautiful woman. You have brought so many blessings into our lives with your wit & laughter. You are always showing us the brighter side of life. You have made us so proud. Never lose sight of your goals or aspiration as you always keep your eyes on the Lord. We love you so much.

Mom & Dad

Tae,

It is the younger sister that is suppose to look up to the older sister-but I cannot express the amount of respect I feel toward you. You have grown into such a mature young woman with a sly grin showing the world just who's boss. I admire your sense of humor, tenacity and shear determination. You have been & always will by my inspiration. I love you so much!

Love,
Shelley
